- PROLOGUE -

Because the stuff that was happening in front of my eyes
Was far too unreal to be Real
This is a weird dream.
Am I the only character in this dream?
? What is this?
This watch...
I'm kinda hungry
Is it normal to feel hunger in a dream?
Anyways it's real quiet... Is there no one else here?
Should I look for one?

OHU TO

What the...
Raw meat?

... ...

No matter how hungry I am I can't eat this

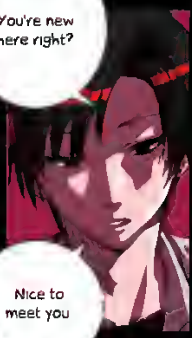
When I thought to my self I found someone
He said...

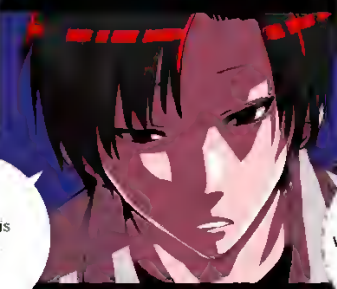
Ah!
Found it!

You're new here right?



Nice to meet you

He appeared to look around my age

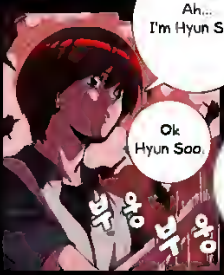


And he had a weird aura about him

My name is Ji Hwan.

What's your name?

Ah... I'm Hyun Soo.



Ok Hyun Soo.

Well you must be surprised by alot of things

But first things first this isn't a dream.

I thought about Kidnapping Confinement

But it doesn't explain this weird system here.

So I thought this world is different from the world we came from
That is my current conclusion.
Wh... What do you mean different world?
This is the [World of Law and Order]
Well that's just the name I gave it myself
I'm going to tell you few things about this world
Listen closely.
Everything I'm about to say are...
All "Truth"

You have this watch on your left hand...
Right?
Huh?
Ah... Yeah!
Then...
I'm going to tell you a give you very simple explanations of this watch
That watch is forcefully worn to any people that comes to this world.
The hand moves clock wise just like a normal watch
The green area is 5 hours, The rest are 20 minute intervals
Are you hungry by any chance?
Huh?
Ah... You're right!
As time passes in the green area
Your hunger will intensify.

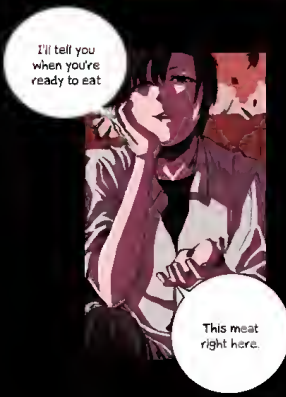
But the problem is...
After the first phase
When the hand moves to the white area
You will start to feel pain
And as the hand moves onto yellow, orange and red area
The intensity of your pain increases.
There's only one way that I know to stop
this from happening.
Well it's quite obvious but
You gotta eat
Then your hunger will dissipate
And the hand will move to its original position.
With that you have another 5 hours before the pain starts again
What is there to eat though?
?! Could it be, those...
Yeah.
It's the packaged meat that's laying around everywhere
Raw meat... We can eat this.
Come to think of it...

It's really everywhere

It always appears from nowhere when you're low
You should never have to worry about running out

However to eat this meat
You have to follow a certain order

? What order?



I'll tell you when you're ready to eat
This meat right here.

The first thing he said was the explanation of the world we were in.
And he isn't saying a single word now
I wonder if it's because he said it so plainly
I didn't think about it too much
I thought this was just a dream anyways...
But soon after...
I came to a realization that this was not a dream.
